

George W. Trapp Company Energy Tax Credit Certification Letter

This manufacturer's certification statement is the documentation necessary to claim the energy tax credit in accordance with the American Recovery and Reinvestment Act of 2009. To receive a tax credit on the purchase price of a Trapp steel or fiberglass entry door or sidelite:

1. Purchase and install the qualifying product between the dates of Jan 1, 2009 and December 31, 2010. The product must have a U-factor and Solar Heat Gain Coefficient (SHGC) of 0.30 or below.
2. Download or print the certification letter below and save it with the receipt for the product. These documents should be retained with tax information for records only. The documents are not required to be sent with tax forms.

NOTE: The tax credit applies to the purchase price of the entry door; it does not include installation costs. The tax credit is for the homeowner's principal residence only.

Trapp entry doors and sidelites that qualify for the tax credit (all models listed qualify nationwide):

FIBERGLASS DOORS

Flush doors w/clear glass – FN-0; FN-68; FN-368; FN-10; FN-36
